

Additional Benefits

- **Rental reimbursement:** up to \$35 per day for 5 days (or 10 days for a parts delay) from day one.
- **24-hour emergency roadside assistance:** up to \$100 per occurrence. Includes towing, battery jump start, fluid delivery, flat tire assistance and lock-out service.
- **Travel expense reimbursement:** up to \$500 for lodging, food and rental expense when a covered breakdown or collision occurs more than 100 miles from home.

Important Facts

- **Good at any authorized repair facility in the U.S. or Canada**
- **No out of pocket expense** (except for any deductible)—the covered repair is paid directly by the plan.
- **Transferable:** if you sell your vehicle privately, the coverage can be transferred, adding resale value and appeal.
- **Cancelable:** receive a full refund within the first 60* days or a pro-rated refund thereafter less a nominal administrative fee.

Things to Consider

- **Lock-in repair costs:** Mechanical Repair Coverage (MRC) helps you to limit your cost of unexpected covered breakdowns to the MRC price, plus any applicable deductible.
- **Helps provide peace of mind:** even if your vehicle does not have a covered breakdown during the MRC's term, the purchase of MRC was still a wise decision.
- **Reduce risk:** remember, unexpected breakdowns can negatively impact your family's budget and credit rating. MRC can help eliminate this risk.
